NOTES

The Senior total includes all games played from Under 16/17 to Senior level. The early collection of records lumped all those games in together, so we cannot identify U16 to U19 games from Senior games. Consequently, for reason of comparison of past players to present players, the same criteria has been maintained.

Also note, that many former players on this list may have played Junior games (up to U15), but unfortunately no record of these games has been kept. Therefore care must be taken when comparing the figures.
