West Preston Lakeside Football Club

Welcome to the 2021 Roosters Business Directory.

Football is a team sport.

It relies on everybody pulling together
and what happens off the field is key to our success on the field.

Without the support of partners, players, members,
supporters and volunteers the Club would not exist.

It is for this reason the Club has produced this directory,
to support each other - supporting each other is what great teams do!

So if your heart beats Red, White & Blue don't think google,
think Rooster Business Directory!

We have a diverse number of businesses that provide a
wide variety of services,

from hospitality to travel to car repair and more.

So, spend some time looking through the directory
and make the choice to support those who support us,
while also supporting your local community.

Go Roosters!
